

NEW BEGINNINGS

A motley medley of events celebrated new projects and commemorated one classic New York TV show

Developer **Janna Bullock** celebrated her Plaza hotel project on the cover of *New York Spaces* magazine. Lighting guru **Bentley Meeker** marked the development of his new show with BBC Worldwide Productions, which will follow him around as he lights New York City's top events. Last fall, he added his magic to **Tim Burton's** exhibit at MoMA, the Whitney Gala and **P. Diddy's** birthday. **Jimmy Fallon** channeled Michael Jackson on The Players club stage at a party for the cast of "Saturday Night Live" that was catered by **Andrea Correale's** Elegant Affairs. The Bloc Group's **Matthew Isaacs** opened CV at The Hotel on Rivington, where **Madonna's** pal **Jesus Luz** has been lounging.
