August 15, 2006 -- OPERATION McCartney. Weighing in recently was Yoko Ono, who he sically gave succor and comfort to the enemy. Said Yoko: "I understand Heather's pain. I know what it's like to be a Beatle's wife."

**MICHELLE Pfeiffer:** "I knew **Sean Penn** was brilliant, but brilliant doesn't always mean pleasant. Actually, Sean's fun-loving, generous and a joy as a person." . . . That was **Norma Kamali** exercising at the Parker Meridien . . . Yankee pitcher **Mariano Rivera** opening a restaurant, "Mo's New York Grill," near his New Rochelle home . . . Sothebys holding a superhigh-class exclusive dinner Sept. 14. It's to display a superfab collection of yellow diamonds . . . So, listen, anybody ever tell you that Mrs. Einstein once said to her husband Albert: "Relativity . . . shmrelativity . . . take out the garbage." . . . This season's "in" decorators: **Alex Papachristidis**, who designed House & Garden's Show House family room, and **Bentley Meeker**, who did lighting for the Parish Art Museum gala.
