

IN ANY EVENT...

Cool Stuff

BY VANESSA WAKEMAN

What makes a party memorable? What keeps people talking about the unforgettable moment? Here's the dish on the definitive "Cool Stuff" that will keep people's tongues wagging about YOUR special event!

At-Home Cool Parties for Teens

Lights, Cameras...ACTION!

Armed with the knowledge that "everyone looks beautiful in the right lighting," more people are turning to lighting to create the perfect environment for their guests. Lighting guru **Bentley Meeker** wants everyone to incorporate lighting design into their event. His three rules for perfect lighting: color, placement, and focus. Shown above: The Waldorf=Astoria's decked out by **Bentley Meeker Lighting & Staging, Inc.** www.bentleymeeker.com
